

CLEANING INSTRUCTIONS FOR XT AND GS ACRYLIC

DON'T

- With Glassex, Thinner or Aceton
- With scouring pads or abrasives (Cif or Scotch Brite)
- With a dry cloth (static)

DO

- With Vuplex® or Burnus®
- With lukewarm water and detergent
- Clean with a damp cloth and allow to dry
- We recommend using cleaning vinegar for removing lime

Vuplex®

- repairs the gloss
- cleans safely
- leaves a protective coating
- anti-static working
- order per bottle

Burnus®

- cleans safely
- anti-static working
- order per bottle
